

## Click L Corner AC R Feeder BK

03/06/2024

### SLC8538

### Product description

This corner is used to create squares or CLICK systems that run in a "ring". The corner comes pre-wired with 230V cable for DALI control. The corner only outputs voltage in one direction and has no connection to the other. One corner is used per square.

### Technical data

Power factor	0,9
Color	Black
Number of DALI-address	1
Brand	SLC
Produced by	The Light Group

MAX. qty on 16A Circuit Breaker (Type C)	189
Operating temperature (Ta)	-20°C ~ +40°C
Control type	DALI2 DT6
GTIN	7070938074087
