

SLC DMX Controller CV 4x5A 12-36V RGBW DIN

03/06/2024

S26005

Product description

Technical data

| | |
|---------------------|-----------------|
| Model | Static |
| Operating method | DMX |
| Housing | Plastic housing |
| Output voltage | 12 - 36 Volt |
| Max. output current | 20 Ampere |
| Protection class | II |
| Width | 53 Millimetre |
| Color | White |
| Control type | DMX |
| GTIN | 7070938060349 |

| | |
|----------------------------|----------------|
| Suitable for outdoor use | No |
| Number of colour channels | 4 |
| DIN-rail mounting | Yes |
| Input voltage | 12 - 36 Volt |
| Degree of protection (IP) | IP20 |
| Length | 110 Millimetre |
| Height | 65 Millimetre |
| Operating temperature (Ta) | -20°C ~ +45°C |
| Brand | SLC |
